- Engaged with local CCG and GP Federation

Beechfield Medical Centre is a well-established and highly regarded practice based in the heart of the Lincolnshire market town of Spalding. We operate from modern purpose built premises and we are now looking to strengthen our team further with the appointment of a pro-active, highly motivated GP. We are flexible in relation to sessions worked and with regard to a start date, but ideally from Summer 2019. A job share would certainly be considered.

For more information about the practice, an informal discussion, or to arrange a visit contact Practice Manager Don McGeorge on 01775 717476.
