

**Salaried GP 6 - 8 sessions per week
Aug to Dec (5 Months)**

At Baslow Health Centre we work to a set of core values that are patient centred. We are a successful business that operates by doing well by doing good.

- Rated “Outstanding” by CQC
- Highly functioning multidisciplinary team committed to our local community with onsite practice based community nurses
- Rural population of 4,500 in the Peak national Park
- Dispensing practice
- SystemOne
- Medical students from Sheffield University

Opportunity to gain some experience, whilst working as a salaried GP at a very friendly practice whilst on a short fixed term basis.

If you are interested then please contact Karl Rex (Practice Manager) 01246 582216 karl.rex@nhs.net for further information and informal visit.
