Fixed Term Maternity Cover
The Springs Medical Partnership, Clowne. Derbyshire
Contract length: April 2022 to March 2023
4 to 8 sessions per week

We tick all the usual boxes in terms of QoF, modern premises, being forward thinking etc. But here's where we're different—we talk to each other—a lot!!

Do you want to be part of a close knit team who support and encourage each other? Where outside interests are encouraged and where our skill mix is a tool shared by all?

We are an experienced, established team and the Practice is run by a six strong Management Team. Our personalities are all very different but this makes for interesting conversations and a strong, cohesive team that works.

Our list size is 11,024, we are a training practice, we have a GP team of 8, we have a full complement of Nursing and Administrative staff including a Care Coordinator and Community Matron team and we aim to be the best we absolutely can be. We have a short meeting every day to advise, support, make decisions – or discuss what we watched on TV last night.

Covid-19 has certainly made us question how we work and our use of I.T. based solutions – video consultations, telephone consultations, Zoom meetings – is increasing all the time.

We are currently looking for a fixed term salaried GP to cover maternity leave – we are open as to how many sessions per week. You may already be an established GP or you may have just finished your VTS. We want someone who is keen and enthusiastic and a good team player.

Is that you?

Informal enquiries and visits welcome.

For more information or to apply for the position please contact our Practice Manager, Janina Gawel, on 01246 819047 or email nina.gawel@nhs.net

Closing date: 4th March 2022
